

STATEROOM VERSION

Ideal for the private owner, this layout has a very large private forward cabin with its own dressing room and en-suite toilet/ shower-room. There are also two en-suite double cabins ab-

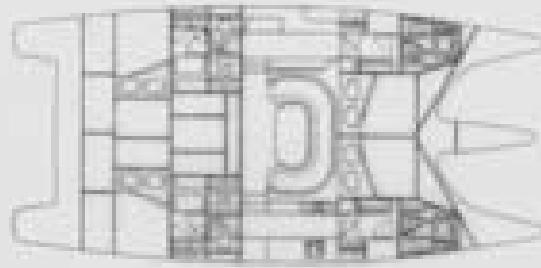

OPEN PLAN VERSION

This is the 'starched layout' which has three double cabins, two large toilet/shower-rooms as well as an enormous central saloon area with an interior pilot station.

FAMILY VERSION

A combination of the light and airy interior of the open plan version with the queen size double bed as featured in the stateroom version.

FOUR CABIN VERSION

The layout has four cabins of equal size, each with en-suite toilet/ shower-rooms. The layout will have a generous saloon area with seating to comfort for ten.

CUSTOM VERSIONS

While the above layouts offer comprehensive options to suit most requirements, within any layout it is possible to modify accommodation to our individual requirements by conversion of cabins into store-rooms, laundry rooms, workshops and offices.
